River of Life Church, on the Reservoir

Guest Speaker

Martha Tennison

Martha

The Tennisons have served together in more than 40 years of ministry. For twelve years, they pastored First Assembly in Radcliff, Kentucky. On May 14, 1988, the church experienced a fiery trial when their bus was hit head-on by a drunk driver, resulting in the deaths of 24 children and 3 adults. Through that tragedy, the Tennisons experienced God's sustaining power and saw His healing touch in the lives of their hurting parishioners.

Because of this and other experiences of God's miraculous healing in her own life, Martha has a deep love and compassion for the hurting. With her sensitivity to the leading of the Holy Spirit, God has given Martha a wonderful ministry of reaching the heart with her unique way of revealing the truth's of God's word. Martha will keep you laughing and crying as she shares her life's experiences with a loving and faithful God.
